SSATIS GIRLS NETBALL 2021 – Expressions of Interest

Dear parents and carers,

Expressions of interest are being sought to represent Southern Christian College in girls netball at the **Southern Sports Association of Tasmanian Independent Schools (SSATIS)** competition. Enrolling in a sport involves a commitment from parent and child for the length of the roster.

Each year, the College seeks to provide as many opportunities as possible for students to build their fitness, develop their skills and engage in a physical activity through team and individual-based sports. Sports teams require the active support of parents in leading and mentoring children. For the students, being a part of a team is an important educational experience for children and one that we value.

If your daughter is interested in registering for SSATIS Netball, please complete, detach and return the form below. This will help us to determine the viability of teams and sports. **It is vital that we have volunteers who can assist as coaches, managers and, in some cases, referees.** Without this support it is often not possible to run teams. Please consider the possibility of your own involvement carefully as this is an important part of the extra-curricular programme of your daughter.

If you have any questions regarding the above, please contact Mrs Sheree Morriss via email sccsportsco@outlook.com or by phoning 0437326409.

Please return all forms by **Monday 29th March 2021** to either the school office or via email to sccsportsco@outlook.com

Student's name: _____ Grade & Class: _____

I/we give permission for our child to participate in a school sports team and agree to pay all associated costs for the season (including registration) and organise transport to and from venues.

I am **able** to assist as a team coach, manager or referee in _____
 unable

Signed: _____ Date: _____ Email: _____

****Please turn over for further options***
