

STEP UP – Schools

Over the course of Term 2 the Ladder Project Foundation will deliver a 5-week Group Mentoring program.

The program will consist of one 70 min session conducted per week for students between weeks 6-10.

This program will be delivered online via Zoom.

AFL/AFLW players will engage in the program, assisting Ladder staff to support your children while also building positive relationships them and helping them reach their potential.

This program will help your children build skills across a number of areas, with outcomes focused on improving:

- Community & school connection
- Sense of belonging
- Self-efficacy
- Health and wellbeing

By creating an innovative and diverse learning environment, and delivering tailored development and group mentoring programs we aim to change young lives, for the better.
