

Continuous Learning Advice for Parents

Year 5/6

START THE DAY WELL

- If you are at home with your child, please ensure that they have had breakfast and are dressed in neat casual clothes and ready to learn for the day before the 9:00 am check in.
- Check communication from your child's teacher, and go to the first subject area on The Hub (Schoolbox)
- If your child is unwell or unable to attend classes, please contact the College via attendance@standrews.vic.edu.au, and cc your child's teacher.

CREATE A LEARNING SPACE

- Your child's learning space should be tidy, comfortable and as quiet as possible.
- Make sure your child is sitting on a chair at a desk or table.
- Ensure that your child has a charged device and is logged on to The Hub (Schoolbox).
- Students need to have pens, paper and required books near-by.
- Students are encouraged to use headphones where possible and to remove all distractions – including mobile phones.

COMMUNICATION

- Each week teachers will email information for the following days/next week.
- Check on The Hub (Schoolbox), with your child, each day for any additional instructions from the teacher.
- Encourage your child to use the class forum to ask questions about course content.
- Please contact the subject teacher if you have any subject specific questions.

WHAT PARENTS CAN DO

- Parents can support their children by encouraging them to plan times and breaks ahead, and when to work on the different tasks
- This type of support can help children to regulate their own learning and will often be more valuable than direct help with homework tasks.
- Encourage your child to practise healthy habits
 - Take breaks every 45-60 minutes
 - Have recess and lunch breaks and eat healthy food
 - Engage in exercise and rest each day
