What's to come with *Moving Up* 2021

Moving Up presentations —
primary to secondary transition

Glen Eira Youth Services (GEYS) has been delivering the highly successful transition program *Moving Up*, to primary school students in Glen Eira for the last ten years. The program aims to equip students and parents with the knowledge, information and tips to better understand the transition from primary school to secondary school.

In 2021, GEYS delivery has evolved to 1x 60-minute session to be delivered virtually in schools.

In addition to our in-school program, all young people and parents will be invited to our student led webinar and parent information night held at the end of the year.

What our school program will cover:

Topics covered in *Moving Up*

- Identify their expectations for High School and the worries and excitement they may have about the impending transition
- Student led discussion about expectations versus what High School is really like
- Develop practical skills in reading a timetable and school map
- Explain expectations around homework and encourage organisation and planning
- Identify the various supports in available to students in a high school setting
