

GROWING IN FAITH TOGETHER

MAKE A PALM LEAF

When Jesus rode into Jerusalem a few days before his crucifixion, people took branches from palm trees and went out to meet him. We remember this day on Palm Sunday.

Make your own palm leaf to wave around when you meet Jesus this Palm Sunday!

You will need:

A3 pieces of green paper or cardboard
Scissors
Tape
Chopsticks or sticks

What to do:

1. Fold piece of card in half long-ways.
2. Cut out a semi-circle shape to make a leaf.
3. Cut slits around the edge to give frayed effect.
4. Tape stick to back of leaf.

They took palm branches and went out to meet him, shouting, 'Hosanna!'

John 12:13
