## Rugby League – Around the Grounds

### Year 6

A well fought match against a very capable Padua side saw the Year 6 team draw 8 – 8 on the main oval at Banyo. Although a lot of the game was spent at either side's try lines, both teams were able to keep their opposition at bay, sliding in defence and shutting down any chance of their opponents taking a try advantage. With only moments left in the match, the Marist boys had one final flourish working their way to Padua's try line and looking for the knockout blow, only to be stopped by the siren. Neither team deserved to lose the match as all 34 students walked off the field with nothing left in the tank. Icing these try scoring opportunities next week will be needed to ensure we walk away with the win in what will be a tough match in Ipswich this Saturday. Player of the match went to Stirling McDonald for his constant efforts in taking on the Padua defensive line and looking to turn the match to Marist's favour.

### Year 5

The Year 5 Rugby League team had a tough assignment this week, up against a very experienced Padua rugby league side. The Marist team turned up to play and gave everything they had. They stuck to their structure and game plan, implemented the coaches' instructions and played together as a team and fought out a well-deserved entertaining draw.

The boys continue to develop and give everything they have, we should all be very proud of them as they continue to develop and improve in every game and training session. Congratulations to the team on a wonderful performance and let's get ready for the game this week versus Iona.
