

Holiday Program

JUNE 6TH - 24TH

Week 1 - Monday the 6th of July - MASTER CHEF

It's time to put on your apron and chef's hat and start creating in the kitchen. Who knows what new foods you might try as you prepare and cook some delicious recipes.

Tuesday the 7th of July - CAN WE BUILD IT? YES WE CAN!

Join us for a day of building and making things from your own imagination using a variety of new and interesting materials.

Wednesday the 8th of July - IT'S PYJAMA DAY!

After such a fabulous time last holidays we thought we would do it all again. Come along in your comfy clothes of PJ's. Bring your ugg boots or slippers for a snuggly time inside.

Thursday the 9th of July - MINI MAESTRO

Let's hear the beat! One, two, three, four.....let's go! Come along ready to make an instrument and create some music together with your friends.

Friday the 10th of July - ALL CREATURES GREAT AND AUSTRALIAN

'We're Going On a Croc Hunt!' Join in with the march as we explore lots of different Australian animals and enjoy watching, 'Blinky Bill' the movie.

Week 2 - Monday the 13th of July - WHERE IS WALLY?

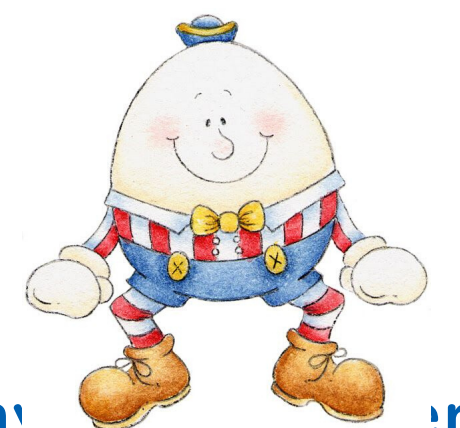

Bring your best detective thinking with you as we go looking for many clues around Curiosity to locate Wally. I wonder where he might be hiding?

Tuesday the 14th of July - LET'S GO FLY A KITE

Come along for a day of exploring wind and how it can make things fly. We will make our own kites and send them soaring on the oval at the school.

Wednesday the 15th of July - RHYME TIME

Let's follow Jack and Jill up a hill as they watch the cow jump over the moon. You never know what you might find in the corner as you wait for Polly to put the kettle on. A day of exploring what all these Nursery Rhymes are up to!

Thursday the 16th of July - GAMES WITH FRIENDS

Playing games with friends takes courage and skill. Come along to learn some new games and to play some classics like, 'Musical Statues', 'Pin the Tail on the Donkey' and 'Pass the Parcel'.

Friday the 17th of July - OUTER SPACE

Join us for a day of going outer space. Be ready to pack your things for a trip to the moon and explore the galaxies.

WE LOOK FORWARD TO SEEING YOU
