Before School	Daily Quiz in Reception Area	Daily Quiz in Reception Area	Daily Quiz in Reception Area	Daily Quiz in Reception Area	Daily Quiz in Reception Area
Recess					
Lunch	Stargazing: The Moon and Beyond in the Theatrette	Stargazing: The Moon and Beyond in the Theatrette	Kerbal Space Station in AG.04 QR Code Challenge outside Building B	Periodic Table Battleship in Games Club AU.06 Space Station Design meeting AU.01	Coburg's Got Talent in the Space

Daily Quiz

Test your general science knowledge! Before school each day there will be questions for you to answer outside reception. Grab a form, write your name and responses on it and the person at each year level with the highest score at the end of the week wins a prize!

Stargazing: The Moon and Beyond

This year's Science Week theme is 'Destination Moon!' to honour the 50th anniversary of the first moon landing. Come and join us to watch Stargazing: The Moon and Beyond, hosted by Prof. Brian Cox and Julia Zemiro in the theatrette, over Monday and Tuesday lunch!

Kerbal Space Program

Love computer games? Come and try your hand at building a rocket ship from scratch and try to be the first one to get your rocket into orbit! Prizes to be won! Meet in ... on Wednesday at lunch.

Note: Must have downloaded game to participate

QR Code Challenge

Get your phones ready and your QR Readers out! Grab a team and run around the school to find the clues! Fastest team with the most answers correct wins! Meet outside Building B on Wednesday at lunch!

Periodic Table Battleship

Think you know your elements? Try and sink the other person's battleship in Games Club, AU.06 Thursday lunch. Prizes to be won!

Space Station Design Competition

With space once again really in the limelight, and talk of getting to Mars or going back to the Moon, we need to start thinking of how humans are going to survive there. Try your hand at designing your own space station! Prizes to be won! Entries due Monday 19th August. See the Compass post for further details.
