Marist 5D 34 def. Padua 26	3 – Lucas Puzey-Reitmayer 2 – Olivier Grammare 1 – Remy Grammare

Around the Grounds

6A

After starting the year with 2 losses by single digit margins the boys were desperate to get their first win of the year. They started the game very well putting 8 goals on the opposition in the first quarter. The mercy rule helped square things up but the boys managed to maintain a lead of 62 despite having 3 less players on the ground. Well done boys!!

6B

The boys were excited to get back to the action after a week and being faced with wet weather, we knew that this game would be scrappy. Villanova started strong by putting pressure on early with two goals. Despite this, we stayed positive and scored two of our own to be tied at halftime. However their extensive pressure on the defensive side of the ball kept us scoreless in the third and gave us a big task for the fourth quarter. To the boys' credit, they kept their heads high and gave everything they had to win, and came incredibly close

6C

The 6Cs were determined to get back into the action after having last week's game washed out. The Padua opposition started strong, scoring two goals in the first two minutes, however the Ashgrove boys replied positively by controlling possession and scoring two goals to leave the

game tied at the end of the first quarter. Unfortunately, we couldn't carry our momentum through and a stellar Padua defence saw us only score 2 behinds in the rest of the game. Despite the loss, the boys have shown immense improvement in their handball skills and kicking and the boys are keen to get back to training to continue to improve.

5A

A dominant team effort, lead by George Coulter (3 goals) and Finn Hamel (2 goals & 2 goal assists), saw us record our first win of the season. The performance was underpinned by a fast-flowing, link-up game plan which enabled us to transition from defence to attack with ease. Overall, the boys should be extremely proud of their effort.

5B

BYE

5C

After a slow start, the boys played a lot better in the second half against the Grade 6 opposition with most of our scoring coming in the third quarter. Keep working hard boys!

5D

The boys played a great game today, came onto the field strong and scored some great goals early on. They worked together well and have improved a lot with marking players and making space. They were really proud of their first win today and it was well deserved!
