Secondary College

2024 PRESENTATION EVENING

YEARS 1964 -2024
ANNIVERSARY

Excellence Through Endeavour

PRINCIPAL'S MESSAGE

Class of 2024

Good evening and welcome to the 2024 Koonung Secondary College Presentation Evening.

Tonight is a special occasion for our College as we come together to celebrate the success, excellence and achievement of our students, but also acknowledge our wider Koonung College community who have worked together to make 2024 another year that sees us live our College motto of 'Excellence through Endeavour'.

While our College motto celebrates excellence, we know that for young people to excel, they need a wide range of skills. To be invited tonight means that students have demonstrated not just excellence, but also our College values of Endeavour, Respect, Resilience, Collaboration and Creativity through their learning and actions. This may be through subject awards or awards for leadership, creative endeavours, sporting achievement, innovation, teamwork or citizenship.

There are so many people who I would like to thank for supporting both the College and supporting our students to achieve at their best. Thank you to our wonderful staff. We are privileged to have exceptional teachers and education support staff whose efforts to see students have access to a wide range of activities and promote student development. Thank you to our wider community partners including our business partners and local organisations who support the College in so many ways. Finally, thank you to our parents and families, for both supporting the College and your child to achieve at their best. Your support is greatly appreciated.

I hope you enjoy this evening, and I wish everybody a fantastic summer break and look forward to working with you all in 2025.
