WHAT'S BEEN HAPPENING...

Christmas at OSHC!

The Christmas season has been a highlight of our year at OSHC. We have loved seeing everyone contribute to our space and get excited to create special items....

We have:

- Pinned baubles all around the room to give it a festive feel.
- Created a 3D paper tree, complete with pretend presents, lights and personalized baubles, with the children.
- Created God Eye Ornaments (see picture on page two) for us to take home
- Listened to many, many Christmas carols- including some played live.
- Puzzled our brains with Christmas themed mazes, riddles and wordsearches!

SPECIAL ANNOUNCEMENTS

We have been given the privilege of taking care of the school's Indigenous Garden over the summer break. We are very excited to see their planted natives grow!

A NOTE FROM THE EDUCATORS

Season's Greetings from Poppy and Cassie

We just wanted to touch base and say thank you for a wonderful year! Despite everything 2020 has given us, we highly value the relationships we have continued to form with you all. Enjoy your Christmas break and we shall see you soon 😊

RECIPE

Strawberry Santa's

Ingredients:

Strawberries
 Whipped Cream
 Black Sesame Seeds

Method:

Cut off the pointed end of the strawberry and add a swirl of whipped cream.

Then, place the pointed end on top of the whipped cream and add another drop of whipped cream that looks like Santa's pompom.

"One of the most glorious messes in the world is the mess created in the living room on Christmas Day. Don't clean it up too quickly."
