

TARNEIT
P-9 COLLEGE

Dear Parents and Carers,

I would like to begin by congratulating our students (and families) for the wonderful effort they have put into commencing remote and flexible learning. Without doubt, this is a challenging time but the resilience our community has shown has been amazing. I am equally impressed by the flexibility and can-do attitude demonstrated by our wonderful teachers and education support staff who are dedicated to achieving the best possible learning outcomes for our students. In a very short space of time, we have achieved so much. In times like these it is important that we look for opportunities to improve ourselves. One opportunity that presents right now is the opportunity for our students to develop as responsible learners. I have thoroughly enjoyed scrolling through the Year 4/5 Google Classrooms and have found many examples of students being responsible and managing their own personal learning (remotely). I'd also like to take this opportunity to highlight our College value of 'Pride'. Regardless of the setting, we expect our students to show pride in their work. I am proud to share just some of the very many work samples that have been submitted this term by our students, all of whom have demonstrated great pride.

Year 4 Camp

Unfortunately, due to the COVID-19 situation, we were forced to cancel our Year 4 camp that was scheduled for Term 2. We do have some good news to share though. We have re-scheduled our Year 4 camp to 21 – 23 October. More information will be shared with families during Term 3 about camp.

Kind Regards,

Brett Sinnett

Assistant Principal Year 4-5
