

MAJOR EVENT SPONSORSHIP TRIVIA NIGHT

The Galilee Trivia Night is THE major fundraiser for our school. The goal is to raise over \$20,000 with all proceeds directly benefiting Galilee and its students. These valuable funds will contribute towards providing our children with additional resources and equipment, to ultimately enhance their wellbeing and education.

In previous years the funds raised have enabled the purchase of valuable items such as security cameras for the school, safety nets for the playground, inter school sports uniforms, new furniture and Virtual Reality glasses.

Securing major sponsors for this important event is crucial to its success. This auction evening will provide you with a unique opportunity to promote your business and actively promote your services and brand within our community.

To become a sponsor the cost is \$1000.

Your sponsorship will entitle you to owning a segment of the night e.g. a game or trivia round named after your business with an opportunity for your business to be highlighted. Your business will also receive:

- A full-colour logo on our display boards to be shown at the front of the school
- Your logo will be prominent on our flyer
- Your logo will be featured heavily on the overhead projector screen throughout the evening
- A personal mention detailing your business by our trivia master
- Advertising opportunity on our Facebook page and in the School Newsletter
- Two tickets to the event
- Flyers or business cards on every table

If you are interested in promoting your business within our community whilst supporting Galilee at the same time then please contact
