

Play Cubby Lunchtime Rules

Let's make lunchtime fun, fair, and full of smiles!

1. **Line Up with Kindness**

Line up in an *orderly manner* outside the Play Cubby and wait patiently. A leader will ask what equipment you'd like to borrow—so be ready with your choice!

2. **Play Where You're Meant to Play**

All equipment must be used in the *designated play areas*. This keeps things safe and fun for everyone.

3. **Be a Responsible Borrower**

When you're finished playing, return the equipment *directly to a Play Cubby Leader* so they can pack it away properly. Let's look after our gear!

4. **Listen for the Whistle**

A whistle will be blown *10 minutes before the end of lunchtime*. That's your friendly reminder to bring everything back to the Play Cubby and hand it to a leader.

5. **Play Cubby is a Lunchtime Treat**

Play Cubby will be open *lunchtimes only* this term—so make the most of it!

6. **Need Help? Just Ask!**

If you need help playing fairly or solving a problem, speak to a Play Cubby Leader. We're here to help everyone have a great time.

 **Remember:** Play fair, take turns, and have fun! Let's make the Play Cubby a place where everyone feels welcome and included.
