## Section 1: Understanding GRDC and the Grains Industry

- What does GRDC stand for, and what is its main role in Australian agriculture?

*Suggested word count 40- 60* (Tip: Visit [grdc.com.au](http://grdc.com.au) to learn more.)

- List two ways GRDC supports grain growers in Australia. Suggested word count 40-60 (Hint: Think about research, development, and extension activities.)

- Name one current challenge or opportunity in the Australian grains industry that GRDC is working to address. Why is it important? *Suggested word count 60-100*

- GRDC supports students at agricultural colleges like Longerenong, Tocal, and Cunderdin. Why do you think GRDC invests in young people like you? *Suggested word count 60-100* (You can read about this in GroundCover articles online)

## **Section 2: Your Motivation and Goals**

- Why are you interested in the Australian grains industry? What excites you about it?  
*Suggested word count 60-100*

- What are your career goals, and how could this scholarship help you achieve them?  
*Suggested word count 60-100*

- If you could improve one thing in the grains industry, what would it be and why?

*Suggested word count 60-100*

- Tell us about a time you showed initiative, curiosity, or leadership—especially in an agricultural or science-related context. *Suggested word count 80-100*

### **Section 3: Final Reflections**

9. Why do you believe you are a strong candidate for this scholarship? *Suggested word count 60-80*

10. What would receiving this scholarship mean to you personally and professionally?  
*Suggested word count 60-80*

Please attach two written referees to your application.

If successful I give consent for my school reports and contact information to be made available to the scholarship donor for the duration of the scholarship period.
