

The Fathering Project

You and Me

Making our mark together

This term, The Fathering Project event will be a special opportunity for children and dad's/fatherly figures (grandpas included) of Mackellar to place their handprint on the brick wall in the courtyard near the office.

Please come to my school on

Monday 25th November

Dads/fatherly figures and their children will dip one of their hands into some paint and place our print on the brick wall.

It will be there for a long time and a reminder of your special bond.

There are two time options:

Before school – anytime from 8.30am to 9.00am

After school – from 3.30pm to 4.40pm
