## What to expect?

Our Prep Transition Program is designed to help young children feel comfortable and confident as they prepare to start school. We at Ballan Primary School are aiming to foster:

- Classroom Familiarisation: Children get to explore the classroom environment, including where they'll sit, play, and learn.
- Meet the Teachers: Students will meet their future teachers and begin building relationships with school staff.
- Fun Activities: Sessions often include story time, arts and crafts, singing, and games to make the experience enjoyable and engaging.
- Making Friends: Children meet their future classmates, helping them form early friendships.
- Routine Practise: Kids get a gentle introduction to school routines like lining up, listening to instructions, and packing up.
- Parent Information: Parents may be offered information sessions on school readiness, uniforms, lunchboxes, and how to support their child's transition.
