

OLYMPIC BMX STADIUM

Joseph Bettio

Who will use the facility

- Athletes
- Viewers
- Judges
- Camera people
- News people
- Food people
- Doctors/nurses

What is the purpose of the facility?

- So people can watch the BMX
- So they can be safe while they watch
- So they have a place to eat even if they have no money
- So the riders can be safe while they ride
- To entertain people
- So people can have fun
- So parents can sit and chat

How will people move around the facility?

How will people get there?

- Hovercrafts
- Trains so it needs to be near a train station so a lot of people can get there
- Cars but not a lot because we want people use trains

How will they get in to the facility?

- Twenty entrances so there is not a lot of waiting
- Security guards so people are safe
- A big entrances for the riders to bring their bikes in
- Somewhere to put there bikes while they wait so they do not have to take them with them all the time

What do you want your facility to look like?
