Your Local Neighbourhood School

State Schools are Great Schools and the schools in the Shepparton Network work together to ensure that your child will receive the same high level of learning and support at each and every school. All students are entitled to attend their closest local school and it is the strong opinion of Principals that your closest school is the best school for you.

In exceptional circumstances, an alternative school may be appropriate. You may be able to enrol in a school that is not your designated neighbourhood school. In this situation, please meet with your local Principal to discuss your schooling options.

To find your designated neighbourhood school, please go to: <https://www.findmyschool.vic.gov.au/>

At Toolamba Primary School we foster a respectful, caring and responsive environment so that children learn, grow, contribute and have fun. Our vision of "Striving for Excellence," ensures that we are dedicated to catering for the individual needs of all children – educationally, physically, socially, and emotionally.

An opportunity to view our school's quality programs and supportive learning environment will be provided through school tours.

After the tour, you are welcome to make an appointment for further discussions.
