

POTTY TIME

STRATEGIES FOR FAMILIES TO SUPPORT THE TRANSITION TO USING THE POTTY

The warmer weather is the perfect time to help your child start using the toilet. Join us for this fun talk with lots of playful ideas on how to keep the process of toilet training light and joyful for everyone involved. We'll cover lots of practical strategies and information about developmental readiness, as well as two key Parenting by Connection tools to aid in building connection and cooperation with your child.
