

## Collingwood College – Junior String Orchestra 2019

We are very excited to let you know that our violin teacher Naomi Durston will be starting up The Collingwood College Junior String Orchestra beginning in Term 3 this year.

This is a fantastic opportunity for all primary school students who wish to enrich their music experience by learning to play in a supportive and challenging string ensemble.

The Junior String Orchestra is open to any student in the primary school.

All you need is:

- \* a commitment to participate
- \* a commitment to practise your ensemble part
- \* the ability to play a 2 octave scale on your instrument.

Violin - G major

Viola - C major

Cello - C major

The repertoire will be chosen and arranged to suit the level of all the students participating, with the aim to inspire and challenge beginners through to more advanced players.

The Junior Orchestra will have a number of opportunities to perform during Semester 2 this year.

Rehearsals will be once a week:

**When:** Wednesday after school from 3.15pm to 4.15pm

**Where:** Orchestra Room in the Music Department

**How Much:** \$128 for semester 2, 2019.

Students will need to participate with a serious intent and will be asked to discontinue if there are any behaviour problems that prevent others from learning.

Parents will be responsible for dropping off and collecting their children from the rehearsal.

Please fill out the enrolment form and return it with payment to The School Office by 21<sup>st</sup> June.
