"My daughter enjoyed every aspect of the Program, and was heartily thankful to me as her parent for enrolling her in the Program. Well done, may I encourage you in this quality service you provide." - MC, Parent

Get A Head Start On The Year

6 hours per course - 3 hours a day over 2 days

Short courses available in:

NAPLAN Preparation

Review NAPLAN questions with help from specialist teachers who will refine your child's skills and hone in on recurring problems.

GATE and Scholarship Exam Preparation

Your child will learn strategies and develop their skills in reading, writing, mathematics, quantitative & abstract reasoning. The course develops student's comprehension and abilities in responding to each part of the exam with feedback on their work.

Essay Writing

In only 6 hours learn essay writing skills that will refine your writing skills for life. You will learn how to create great essays using a structure that can be adapted to any subject.

Foundation Maths and English

Recommended for students going into Years 7 and 8 who would benefit from some extra help, skills development, motivation and confidence in their high school studies. The class reviews concepts learnt in early high school years.

Advanced Maths and Intermediate English

Recommended for students going into Years 9 and 10 who like to consolidate their skills and be extended by learning new concepts and practise advanced questions.

Learning Skills

Learn how to study and spend less time studying. Improve your time management, develop homework strategies that work and many more skills to improve schoolwork.

Academic Associates and Academic Task Force are part of the Academic Group.

Enrolment Terms and Conditions: Please see our website for our policy on payments and refunds.

Other subjects and times may become available, classes may be cancelled or changed depending on demand. See website for any changes.
