

Outside School Hours Care Newsletter

Term 1, 2024

Auburn South Primary School

Your
OSHC.

We had many interesting activities at Your OSHC in last few weeks. Children have sense of responsibility towards their own physical wellbeing, so they put on sunscreen to protect themselves before they headed out to play. They played a different game this time, it was three-legged race. They chose their own partners and participated in full zeal for the race. This displayed their team work and co-ordination.

We had many little chef activities in past few weeks. Children experienced different cuisines. They excitedly participated in the activities. They made tzatziki a Greek cuisine dip and had it with whole meal pita bread. They made their own bagels with butter. They also made Indian cuisine drink, mango lassi to beat the heat. They were curious about how it is made and few watched it while it was in making. A chef activity is never done without a sweet dish! So, we had fruit custard. Children added their own choice of fruits to the custard and enjoyed on a hot afternoon.

We had many activities to build patience, concentration and eye-hand coordination. We had activities like origami where they showcased their creativity. Children also played with construction blocks like magnetic tiles and Jenga blocks.

Few children showed leadership qualities too. They were happy to play the role of the educators by wearing the Camp Australia vest and helped other children pack up the service.

Past few weeks were full of various experiences and learnings!

If you need to know more about the program, feel free to contact our friendly staff members in Before/Aftercare program. We are located in the school Hall.

Register free and book in 24/7 via our app

To attend our program, you must register your child. You can register an account with us at pp.campaustralia.com.au or by downloading our Camp Australia smartphone app from the Apple App Store or on Google Play. Once registered, it's easy to make bookings and manage your account.
