Dear Parents/Guardians,

To celebrate the conclusion of the 2024 PSA Soccer Season we will hold our Presentation Dinner on Friday, 9 August. I would like to take this opportunity to invite all Secondary School Trinity College soccer players and their families to join us for the evening.

The evening consists of a buffet dinner whilst teams from Years 7-12 are presented to the community and players are recognised for their performance this season. Raffle hamper donations

I humbly request suitable items for gift hampers to be raffled on the night. Wine, sparkling, chocolates, memorabilia - anything goes! All profits will go to supporting future TC soccer stars.

Please deliver any donations to Main Administration by 5.00pm on Wednesday, 7 August. Please label your donations 'Soccer Presentation Night', as there are multiple sporting events with donations at this time of year, so we need to know which event the items are being donated for. Your generosity is greatly appreciated.

Yours sincerely,

Ben Kriszyk
