What is P&F?

At Mount Pleasant Road, Parents & Friends (P&F) is a group of parents with a common goal to enhance connectedness within the school community. The group provide opportunities for social interaction between caregivers, staff and students and oversees a number of fundraising activities.

P&F is open to all parents and friends of the school community, and our success is dependent upon the support and interest from parents of Mount Pleasant Road. Please consider coming along to a P&F meeting and finding out more information about how you can get involved. There are no lock in contracts, just lots of fun and great friendships, we promise!
