## CYBER-SAFETY USER AGREEMENT

To the parent/caregiver/legal guardian:

Please read this page carefully to check that you understand your responsibilities under this agreement.

Return the signed User Agreement to the school.

I understand that West Beach will:

- do its best to enhance learning through the safe use of ICTs. This includes working to restrict access to inappropriate, illegal or harmful material on the Internet or on ICT equipment/devices at school or at school-related activities
- work with children and their families to encourage and develop an understanding of the importance of cyber-safety through education designed to complement and support the Use Agreement initiative. This includes providing children with strategies to keep themselves safe in a connected online world
- respond to any breaches in an appropriate manner
- welcome enquiries at any time from parents/caregivers/legal guardians or children about cyber-safety issues.

My responsibilities include:

- discussing the information about cyber-safety with my child and explaining why it is important
- supporting the school's cyber-safety program by emphasising to my child the need to follow the cyber-safety strategies
- contacting the principal or ICT coordinator to discuss any questions I may have about cyber-safety and/or this User Agreement.

I have read and understood this User Agreement and I am aware of the school's initiatives to maintain a cyber-safe learning environment. I will be prepared to be held accountable for actions and for the loss of privileges if the rules of appropriate use are violated.
