

Instrumental Music 2020

Piano, Voice, Flute, Recorder, Clarinet, Saxophone, Guitar, Violin and String Ensemble

Learning a musical instrument is a stimulating way to enhance your child's education, helping them to develop skills complimentary to other areas of educational and personal growth, and offers your child the opportunity to:

- ♪ Develop an appreciation of music*
- ♪ Develop a life-long interest or career in music*
- ♪ Excel in other key areas of learning, such as mathematics and language*
- ♪ Develop self-confidence in performance and other public activities*
- ♪ Participate in group and solo performances within Auburn South Primary School and the wider community*
- ♪ Join Auburn South Primary School ensemble groups*
- ♪ Students will have the opportunity to perform in our Instrumental Soirées (Concerts) in Term 2 and Term 4*

Lessons are scheduled as a part of the school timetable, and have rotating timeslots to avoid missing the same classroom activity each week. All efforts will be made to ensure that students will not miss Specialist sessions. A small number of before / after school and recess / lunchtime slots may also be available.

- ♪ Felix Thiang & Harry Jackson
