

1722 Labuan Road  
Invergordon, 3636

## 1<sup>st</sup> Year Apprentice Agricultural Diesel Mechanic

Alblas Ag is an agricultural heavy diesel mechanic service operating in the Numurkah area with over 20 years of experience in maintaining & repairing heavy vehicles in the agricultural industry, primarily Headers, Windrowers & Tractors, with extensive knowledge in Case Headers.

We are seeking a first year Apprentice to join our busy workshop in Invergordon. The successful candidate will be provided with training through one on one guidance in our small team environment & external training is provided through Sunraysia Tafe in Swan Hill. Applicants should have ideally have completed Year 12, be aged between 18-21 & have their driver's licence.

What we offer:

- Award wages & overtime work
- Uniform provided
- Wide variety of work
- Flexibility of working hours

The right candidate should be able to demonstrate:

- Competent literacy & numeracy skills
- Good communication skills
- Commitment to the role & training program
- Ability to work in a team & individually at times
- High level of attention to detail
- Problem solving skills

The successful candidate will obtain a Certificate III in Agricultural Mechanical Technology on completion of their apprenticeship.

To apply for the job phone Albert on 0437 655 176 and forward your Resume to [alblas.ag@outlook.com](mailto:alblas.ag@outlook.com).
