University

Reminder – ACU Guarantee application process and student panel

27 July 2022. 6pm to 6.30pm

The ACU Guarantee Program offers eligible Year 12 students a place at ACU based on your Year 11 results. Join us to learn detailed information on how to apply and hear current students share their experiences. <https://www.acu.edu.au/about-cu/events/2022/july/acu-guarantee-application-process-and-student-panel-nsw-act-qld?redirect=%26FilterBy%3dUpcoming%26Year%3d2022%26PageNumber%3d1>

UTS Want to know more about the UTS Early Entry program? July Info Sessions Coming

Join us at our upcoming info session in July 2022 to find out about how to apply for 2023 intake, eligibility and more. Sign up to be notified when registrations are open.

<https://www.uts.edu.au/study/undergraduate/shortcuts-newsletter-sign-up-form>

Here are the Key dates for the 2023 Early Entry Program:

- **31 May** - Program launch
- **15 June** - Early Entry Applications Open
- **11 September** - Applications close
- **4 October** - Offers release

Note: There will be a requirement to achieve a minimum ATAR. The minimum ATAR requirements for the Early Entry Program courses will be available on the website soon.

University of Canberra Early Offer Reminder Supplementary Form needs to be in by 24 July 2022

Open now.

If you're a current Year 12 student applying to UC for undergraduate study next year, you could receive an early admission offer under the August Early Offer Round using criteria other than your ATAR.

Form is here:

<https://www.canberra.edu.au/future-students/apply-to-uc/early-offer-round/supplementary-form>

<https://www.canberra.edu.au/future-students/apply-to-uc/early-offer-round>

UTAS' Schools Recommendation Program

How does the program work?

Apply by end June 2022

We'll release offers from August through to early November, which takes the pressure off you during year 12. Australian year 12 students can apply for up to five courses at the end of June. Rather than an ATAR, your application is based on your school's recommendation. This can factor in your year 11 results, as well as other considerations. If you don't receive an offer for your dream course through the program, don't worry. You will be re-assessed for your higher preferences after your ATAR is released.

<https://www.utas.edu.au/study/schools-recommendation-program>

What is UNSW Portfolio Entry?

- Art and Design
- Built Environment
- Bachelor of Information Systems at the UNSW Business School
- Engineering

Here at UNSW, we want to reward your passion, creativity and potential to succeed in your degree area. That's why we offer UNSW Portfolio Entry, which gives you the opportunity to demonstrate your passion and talent, alongside your ATAR. If this sounds like you, we want to see your portfolio submission. It's an easy, online process, and can only ever boost your chances of admission. What you submit in your portfolio will depend on which degree you're interested in. Remember, your UNSW Portfolio Entry submission needs to be completed in addition to your UAC application.

Who: All domestic and some UAC International applicants who are applying for an eligible degree and expecting an ATAR within 10 points of the lowest selection rank for your degree (unless stated otherwise).

<https://www.unsw.edu.au/engineering/study/alternate-pathways/faculty-engineering-admission-scheme>

UNSW HSC Maths Course Selection

While we encourage everyone to study the level of maths at which they feel sufficiently challenged, below are some guidelines for the minimum level of maths required for some of our degrees. Please also see Assumed Knowledge for more information.

<https://www.maths.unsw.edu.au/highschool/hsc-course-selection>

Mathematics Prerequisites Course Listing – University of Sydney

All you need to know about our mathematics prerequisites. We have mathematics prerequisites for some courses to help you thrive in your degree and prepare you for future career challenges.

Check here for Degrees that require a maths prerequisite:

<https://sydney.edu.au/study/how-to-apply/undergraduate/mathematics-prerequisite.html>

Find your way into ACU with the new ACU Foundation Studies!

The new Foundation Studies program is another pathway into ACU. This free program is currently offered to domestic students at our Blacktown Campus but acts as a pathway to degrees at any ACU campus provided you meet minimum GPA requirements for your chosen course.

<https://www.acu.edu.au/study-at-acu/admission-pathways/foundation-studies>

UON Open Foundation

Open Foundation is a free pathway program offered at the University of Newcastle for people who do not have the qualifications required for direct entry into an undergraduate degree program. Regardless of your background, you'll develop the skills you need, not only to gain entry, but to find success at university and beyond. You will receive a Certificate of Attainment from the University upon completing Open Foundation as evidence of the skills and knowledge you've gained from the program. Completion will also guarantee you admission into over 40 degrees at the University of Newcastle.

<https://www.newcastle.edu.au/future-students/open-foundation>

University of Newcastle - Joint Medical Program 2023- How to Apply – 5 Steps

To apply to the Joint Medical Program in 2023, you must complete the following three steps. Our Joint Medical Program is world-class, and entry is competitive. Each year, 170 places are available in the program across both the University of Newcastle and the University of New England; more than 3,500 people apply for those spaces. Your application will go through a rigorous selection process. If your application isn't successful, we encourage you to apply again the following year or to consider one of the many alternative degrees offered by the University of Newcastle or the University of New England. Click here to download a prospectus providing an overview of the Joint Medical Program including the application and selection process.

<https://www.newcastle.edu.au/joint-medical-program/how-to-apply>

TAFE

Sydney Trains Apprenticeships - Join the team that keeps Sydney moving!

We advertise apprenticeship positions in July each year. We're currently accepting expressions of interest for our 2023 intake. Simply register your details here. We will provide further information in the coming weeks. If you're looking for a rewarding career in a boom industry, there's never been a better time to join the rail industry. Sydney Trains is the biggest passenger rail operator and maintainer in Australia and is the training ground for the NSW rail industry.

Sydney Trains offers a range of apprenticeships in the electrical, telecommunications and mechanical engineering trades.

https://www.transport.nsw.gov.au/sydneytrains/careers/sydney-trains-apprentices#When_are_apprenticeships_advertised?

TAFE Bachelor of Applied Commerce

Designed in consultation with industry, the Bachelor of Applied Commerce provides you with the skills and knowledge you need to be a successful financial professional. Complete your major in either accounting or financial planning or do a double major. As well as developing knowledge and skills in accounting and financial planning, you will study management, marketing, law, economics and business statistics, as well as doing an industry placement in third year. Alternatively, you can complete a Diploma of Applied Commerce by completing all first year subjects in the degree.

<https://www.tafensw.edu.au/degrees/bachelor-of-applied-commerce>

Secure the future with a TAFE NSW Bachelor of IT Degree (Network Security)

The rise of cybercrime has created an unprecedented demand for professionals who can secure and monitor IT systems and protect personal and organisational privacy in cyberspace. The Bachelor of Information Technology (Network Security) will allow you to develop your skills in communication, problem solving and critical thinking. This degree prepares students to sit for recognised industry certifications (such as CISCO, CCNA, and CCNP). Alternatively, you can complete a Diploma of Information Technology by completing all first year subjects in the degree.

<https://www.tafensw.edu.au/degrees/bachelor-of-information-technology-network-security>

Sydney Trains Try a Trade Day is BACK! 9 and 16 July 2022

At the Clyde Hub. If you are thinking about an apprenticeship but have never used a power tool, attending a Try-a-Trade Day will give you the confidence to build your skills. You'll receive hands-on tools training by qualified tradespeople while learning more about the apprenticeship opportunities available at Sydney Trains. The Apprentice Program combines paid work and structured training, allowing you to learn a trade and receive a nationally accredited qualification while working. On the Try-A-Trade Day, you can try out some of the tools/machinery, complete a small project using hand tools. Our expert tradespeople will guide you and gain some insight into what trades you may be interested in. If any Year 10 student is interested in this opportunity email Mrs Cupac.

Possible trades:

- Telecommunications
- Signal Electrical/ Electrical
- Substations
- Rail Traction
- Rail Maintainers (Electrical and Mechanical)

General

Why I chose to study arts

Studying for her HSC, Akala Newman was worried she wouldn't get into her arts degree. 'I love academia, but it doesn't come naturally to me,' she says. 'I'm not built that way.'

<https://www.uac.edu.au/media-centre/news/why-i-chose-to-study-arts>

Arts degrees: tips from a Careers Advisor

Arts is a great "launching pad" degree. It's a course that can lead to some amazing postgraduate options, from law to MBA, Juris Doctor, psychology and many more, depending on your major. Whichever area you choose to study, you'll develop transferable skills and the tools to think critically, communicate effectively and conduct research.

<https://www.uac.edu.au/media-centre/neips-from-a-careers-adviser>

Student Lifestyle Report

UAC surveyed nearly 14,000 students and found that campus proximity and reputation of the institution was important to at least half of respondents and after two years of disruption the majority of them are looking forward to meeting new people and experiencing the social life of campus.

<https://uac.edu.au/assets/documents/submissions/student-lifestyle-report-2022.pdf>

Economics + X = your dream job!

Whether you're a maths wiz who loves numbers, a thrill seeker who thrives in a high-pressure environment or someone who wants to change the world, economics has a career to match your passion. Economics affects us all from the policies our governments adopt to the choices we make at home. And it's not just about money. Economics can help us understand the news, explore important human behaviour and social issues, and see the world in a new way. As an economics graduate, being able to uncover or forecast economic trends means you will always be in demand, while the broader maths, stats and data skills you learn will make you highly sought after in a wide range of sectors.

Healthy Careers Panel

Presented by NSW Rural Doctors Network (RDN) and the Association of Independent Schools of NSW (AISNSW). Are you interested in a future career in medicine, nursing, midwifery or speech pathology or occupational therapy? There are so many career opportunities available in rural health. Join NSW Rural Doctors Network and the Association of Independent Schools of NSW for the Healthy Careers Panel, targeted at high school students in years 8-12. This free online event will showcase the career possibilities in rural health and provide first-hand insights by a panel of rural health professionals about their study pathways, the skills they have gained and why they chose a career in rural health. Hear from a nurse, midwife, doctor, speech pathologists and an occupational therapist, and ask them questions. Parents and teachers are also welcome to attend.

Thursday 16 June, 6.30-7.15pm

Register here: <https://bit.ly/3vJL7rJ>

Jobs For Youth Night

This event is targeted at youth and students who need an engaging space to connect with potential employers and gain advice about future careers. The event is on the **30 June at Revesby Workers' Club, from 6pm – 9pm**. The event is FREE.

Attendees under 18 MUST attend with a parent or guardian as per Club guidelines.

What to expect:

- Industry exhibitors will range from TAFE Colleges, GTO's, Recruitment Agencies, Industry Associations and more!
- Sponsorship micro-presentations.
- Brochures and resources readily available at booth stations.

The events will be the perfect opportunity for you to:

- Meet potential employers.
- Engage in industry discussions.
- See job vacancies.
- Hand in resumes.

Click on the link below for more information and to register
