

Mount Pleasant Road Primary School & Kindergarten (Nunawading)

Dear Parent/Carers,

RE: 2022 Parent Payment Arrangement – Years 3 -6

Mount Pleasant Road Primary School is looking forward to another great year of teaching and learning and would like to advise you of Mount Pleasant Road Primary School's voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all of your support, whether that's through fundraising or volunteering your time. This can make a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to offer enrichment and intervention programs and extracurricular experience, and continue to provide the quality and range of educational programs and resources that you and the school expect for your child. Thank you to all of those families who have made a contribution to our school, these funds have been gratefully received and allowed us to

- Provide an enhanced curriculum to all students (ie: Robotics – Coding, Kitchen Garden, Investigate – Create – Express, Junior Rotations)
- Purchase digital technology equipment and provide technology support (ie: iPads, Interactive TV's, IT Technician, Wifi resources)
- Purchase classroom resources (ie: library books, class sets, take home books, sporting and music equipment)
- Wellbeing resources (ie: Class recharge boxes, Lets Talk training and resources, Lunchtime Clubs and Social Skills Groups)
- Buildings (ie: painting, blinds, regular maintenance and repairs, café studio and visual arts shelving, upgrade lighting)
