

# Take That You Snorting Pigs!

Howling cries erupted. “ARH-WOOOOOOOOOO!” sounded the big bad wolf as he jumped out of the chimney and ran back home with a steaming, burnt bottom. “Watch out you three snorting pigs. I’ll get you back” yelled the wolf.

Thinking of his revenge against the three snorting pigs, the wolf came up with an idea. He was to invite them to his birthday party. But it was going to be a very different birthday party. The wolf had to come up with a disguise because he already tried to eat the three little pigs as a wolf and as you already know, that didn’t work. “I hope they fall for it” laughed the wolf.

Meantime the wolf needed some clothes to disguise himself. He had a friend that also lived in the woods. He went to visit her to get some clothes for his disguise. She opened the door and greeted the wolf with a smile. He told her he needs some of her clothes to use as a disguise against the three snorting pigs. She gave him dresses, hats, masks, scarves and glasses to disguise himself.

As soon as the wolf arrive home, he changed into the clothes and made his way to the brick house where the three snorting pigs lived. He knocked on the door and one snorting pig answered “Oink, who is it?” The wolf replied “It’s Tracey from down the road. I want to invite you to my birthday party.” The snorting pig opened the door and was thrilled to be invited. “The party is tomorrow at my house at 2pm” said Tracey. “Great! We will be there” said the snorting pig.

Today is Tracey’s birthday. Actually it was ‘The Wolf’s’ birthday in disguise but the snorting pigs did not know that.

Happily strolling down the path, the three snorting pigs were on their way to the party. Meanwhile, ‘The Wolf’ or should I say ‘Tracey’ was preparing for his revenge.

Tracey welcomed the snorting pigs with open arms. There were balloons, streamers, food and most importantly a big colourful cake with lots of icing and candles.

Suspiciously, the snorting pigs wondered why there was no one else at the party. Eventually they didn’t give a snort about it. “Lets play some games” cheered Tracey. The three snorting pigs had a fun afternoon but it was now time to sing ‘Happy Birthday’. Tracey lit the candles and they all gathered around the cake for some photos. Tracey stood near the three snorting pigs while they sang ‘Happy Birthday’.

As soon as they got to the last ‘Hip Hip Hooray’, Tracey took off her clothes and pushed the three snorting pigs into the cake, causing them to burn their snouts and have icing all over their pig face.

“Ouch” screamed one pig.

“Oink” yelled another pig.

“Yoink” screeched the last pig.

The three snorting pigs turned to the wolf who laughed...

“Got you back you annoying pigs.”

“Hope you enjoyed my birthday party!”
