

Welcome back. Please be advised the new booking system will be heavily enforced. Please find further details below.

*Students must be in their school uniform or full sports uniform when leaving the gym (**only if they have PASS or PDPHPE practical in Period 1 they can remain in their full sport uniform**).* The Sarto gym represents a high standard of responsibility. A friendly reminder if a student demonstrates unfavourable behaviour within any aspect of school or obtains 3 missed pre booked sessions, a three-strike policy is used and the student will not be able to use the facilities for the remainder of the term.

Due to safety reasons; Students in Years 7 and 8 **must** adhere to the specific training programs provided by S and C coaches. If students do not adhere to the programs, coaches reserve the right to remove them from the session.

New Sarto booking system.

A reminder students must book their training time slot through the Sarto gym link which can be found on the school's intranet page. This is an internal online booking/management system which will be saved to the student's school calendar. On Arrival at the gym, the student must sign in via the Teambuildr platform (the check in system will be accessible on the gym iPad). If students are unable to reserve a position it means the time slot is full and they will have to actively check if a position becomes available due to another student's cancellation. To ensure safety and a quality training session, the maximum number of students in the facility is 25. If a student turns up and they are not on the booking list, they will be asked to leave.

Sessions times are:

	7:15 - 8:10	3:30 - 4:30
Monday	OPEN	OPEN
Tuesday	OPEN	OPEN
Wednesday	OPEN	OPEN
Thursday	OPEN	OPEN
Friday	OPEN	OPEN

If students have reserved a spot and are unable to make their booked session, they **MUST** cancel on the platform to allow the waitlisted students an opportunity to train. The program operates on three strike policy, students are required to attend all the sessions they register to. Please see below the respective join code.

Programs

Team builder is a platform that allows coaches to easily track and record progress, it is a great way for students to view their set program and receive gym notifications (ie testing week, or the 'gym is closed'). To reduce injury and to manage student performance, students must sign up to their respective program.

Program review:

1. Year 9-12 *Rugby* students are now in their **In-season program. This change will occur on team builder automatically.**
2. *Generic program* provides a series of strength programs and students must sign up to this join code if they if they are not in the 9-12 rugby.
3. *7-9 Preseason* program provides a series of body weight and light weight exercises (using kettle bells and dumb bells). To ensure variety, This program will be modified in term 2. Students can discuss modifications of their program with coaches if they would like to avoid weight-bearing activities.

Information to join team builder is below
