[University of Sydney Creative Arts Special Admission Scheme \(CASAS\)](#)

Did you know you can apply to get an early offer from the Con before you get your ATAR? If you've got the talent and the dedication, we want you.

The degrees available under the admissions scheme are:

- Bachelor of Music
- Bachelor of Music (Composition)
- Bachelor of Music (Performance)

If you are a current HSC student in NSW, you must do the following:

- Apply to UAC by the audition registration closing date.
- List your chosen music degree as your first preference - one of the applicable degrees listed above.
- Apply directly to the Conservatorium for an audition/portfolio submission for a July or September audition.

The round you select for your audition/interview has no bearing on your CASAS eligibility, nor how you will be assessed. However, the advantage of choosing the July round is that you will have completed the process well before the HSC is underway.
