Around the Grounds

6A

Ryan and Owen stepped up to the crease, a strong partnership did they display, each over filled with quick singles, 'RUN!' was the call of the day.

Macca's time at the crease was short, but was flawless in his role as keeper, and Peacock's bowling was second to none, just narrowly missing a 'three-fa'.

As always Collins' bowling saw dot balls in great supply,

Salem Tamer's solid leadership ensured the team's spirits were high.

Vickery thrived behind the stumps, and batted the highest of scores,

Ethan was dangerous in the field, stopping many singles and fours.

O'Leary's boundaries flew off the bat, Cootes bowled straight and fast,

Popey's new found faster pace, left the opening batsman aghast.

Hunter didn't waste any time with the bat, hitting runs straight off the mark,

our result of 147, was the run chase upon which Padua would embark.

After winning for the first time this season, Marist shook the opponent's hands with glee, the boys celebrated in the most fitting of ways, huddled together, singing the 'ar-tik-ee'.

6B

Marist went out too bowl first keeping Padua at bay with dot balls and steady wickets which saw Padua 6 for 106 after 25 overs. Heading out to bat off the back of a close game the boys were keen for a win, and it showed. With excellent batting from Kingston Anderson, Eli Miles and Ethan Bird Marist chased down the total score with 6 overs to spare.

6C

It was another positive game for the 6Cs who have shown significant signs of improvement as the season has progressed. Bowling first again worked in our favour, as a tight bowling display and a steady loss of wickets restricted Padua to just 84 off there 20 overs. Tom Bedgood and Rafferty Brown were the pick of the bowlers taking wickets at crucial times with figures of 1/4 and 1/5 respectively. With bat in hand it was another dominant display of clinical batting in particular by Finley Nicholson opening the batting who scored 23* off just 12 balls. He was also well supported by the whole order with contributions from most the batsmen. Marist finishing on 6/130 winning another game convincingly.

6 Gold

This week's matchup against Padua was by far the best game that the 6 Gold boys have played all season. Starting off with our traditional team photos at the heart of the college, the Tower Block, the boys then walked down the famous pathway en route to Des Connor park where we were blessed with another home game, the boys knowing that every game at home is special and should not be taken for granted. Added motivation for the team was that it was Josh's birthday, giving the boys extra motivation to come out and play a great game. Marist won the toss and elected to bat. A brilliant decision by our captain Josh, knowing the fast outfield that the flats are known for, where runs can become plentiful. This game was by far the team's best batting performance, everyone chipping in and playing a crucial role. Mason Irving and Stanley Grellman were the dominant performers with the bat, with Mason scoring 16 and Stanley scoring 20. Overall, there were only two wickets that came from the opposition showing that our boys have definitely matured and improved their skills. Ultimately, the final total was 2/123, putting ourselves in a great position with Padua needing a big effort to chase down that run total. Our boys asserted themselves while bowling only giving up 31 runs with legal balls and the other 37 runs were due to wides, byes and no balls. Stanley and Luke Hourigan stepped up while bowling with Stanley producing 1/5 after two overs and Luke producing 1/8 after two overs. Subsequently, the run total that the Marist boys attained was too hard for a valiant Padua outfit to overcome. The boys won by 55 runs, by far our biggest win of the season so far. The boys preceded to sing the War cry with pride and passion. Very well deserved. Overall a great day of cricket between two great teams.

6 White

Last Saturday, the 6 White cricket team had its third successful win of the season, finishing on 7 wickets for 70 against 4 wickets for 61. Declan Barbaro continues to prove himself to be an incredibly valuable player, taking 2 wickets for 3 runs. Declan was well supported by some tight bowling with other notable performances by both Declan Blundell and Ben Fernan who took the other wickets. Congratulations in the field must also go to Thomas Lynn for bowling the first maiden over of the season and to Archie Langler for some consistent bowling in his second attempt. Special mention also to Cooper Hayes for his wonderful catch behind the wickets. The team's batting is continuing to develop. Ben Fernan was our highest run scorer on 17 not out. Special mention to our other valuable batsmen who eventually had to be retired: Declan Blundell, Harry Hind, Declan Barbaro, and Lachlan Chandler. The team will continue to work on their calling between the wickets and general fielding.

6 Green

The mighty 6 Green notched another win this weekend, albeit by only 7 runs playing Iona in an exciting match. The skill of Callum Curtin with the bat, hitting three 4's in the final overs and eventually making 13 not-out, supported by the efforts by his team-mates made the game one to remember. Of note, Tomas Hammond retired on 9 runs with Matt Alvarez retiring on 7. Again, our bowlers stepped up to the mark with Matt Henselien, Tomas Hammond, Matt Alvarez & Darcy Mahoney all taking a wicket. Kia Yip, Archie Engstrom, Joe Richards, Vincent Butten & Billy Lenehan again showed huge leaps in their bowling technique and their prowess in the field. Ben Gilbert made a courageous dash to score a quick run to bring up the tally, succumbing unfortunately to a run-out for his efforts. And the safe hands of Caleb Van Coevorden again saved the day many times. A brilliant game by the team who continue to improve week by week.

5A

Scoring a 102 on a wet wicket, the 5As put themselves in a winnable position but couldn't hold off a fast-finishing Padua. It came down to the final over and in the end, bowling too many wides cost the boys the match. Lots of improvements with 4 excellent catches showing how far the team has come.

Marist batted first on Saturday and got off to a strong start aided by some wayward bowling from Padua, Stephen Ryall top scored with 16, with some tight bowling in the middle overs restricting the Cs to a respectable 65. A steady innings from Padua ensured that the game was going to be a nail biter. Needing only 4 to win off the last over Stephen managed to restrict them to 3, taking a wicket off the last ball to finish the game as a draw.

5B

After a slow start with the bat, Hugo Burg and Jacob Lamers anchored the innings with a 40 run partnership. The game came down to the last ball but it was an outstanding effort by the Marist team who continue to improve week to week

5C

Marist batted first on Saturday and got off to a strong start aided by some wayward bowling from Padua, Stephen Ryall top scored with 16, with some tight bowling in the middle overs restricting the Cs to a respectable 65. A steady innings from Padua ensured that the game was going to be a nail biter. Needing only 4 to win off the last over Steven managed to restrict them to 3, taking a wicket off the last ball to finish the game as a draw.

5 Gold

5 Gold had their first loss of the season last Saturday to Padua College, who took some quick wickets at the beginning of the match to secure their victory. Marist were all out for 52 and Padua finished with 3 for 66. Top batters for the day were Jack Lambley and Lachlan Graham, however well done to Oscar Perrson who managed to retire twice during the innings. Top bowlers were also Jack Lambley and lucky Lachy Graham.

5 White

The boys of 5 white were able to secure a win against Padua this weekend, scoring a total of 86 in the first innings with the help of James Burt and Oliver Ve's handy performances with the bat. The boys had their work cut out for them to keep Padua's run chase in check. Jackson Kier and Darcy Frazier really pulled through for the team with their tight and consistent bowling performance. Our first win of the season comes from a close and enjoyable match. we hope to carry that momentum to next week.
