## St Augustine's OSH Club

Poppy

Cassie

Hello again- Welcome to week 8 ☺

### WHAT'S BEEN HAPPENING...

#### Sustainability Program ☺

Extending on our sustainability practices, the past two weeks have been focused on the following:

- Discussing and researching how to make our own beeswax wraps, to help reduce our plastic waste
- Contacting Bunnings to gain their support in creating these wraps and bird baths (resources)
- Connecting with Miss Wardeiner and receiving an invitation to become custodians of the school's Indigenous garden over the holidays

Hi Poppy and Cassie,

This all sounds very exciting, and I love that you're focusing on reducing plastic waste, right up my alley! I have cc'd Suzy at West Footscray as Yarraville falls into their catchment area so I'm sure she'll be in touch soon. If you have any other questions though don't hesitate to ask. All the best with everything!

Regards,

### SPECIAL ANNOUNCEMENTS

We have been lucky enough to have a lovely casual staff member, Julie-Anne, assigned to our service to assist us. Welcome Julie!

### POLICY CORNER

#### Sustainability Policy

This policy focuses on ensuring the company, services and program reflect best sustainable practice. It gives us, as educators, a different way to think about sustainability and strategies to implement it.

## PHOTO GALLERY

We set up an Orbeez station this week, which created much excitement. The children loved investigating them with magnifying glasses!

We spent a week creating our own dream catchers, to ward off bad dreams- inspired by one of our Preppies

## RECIPE

### Ants on a Log

#### Ingredients:

Celery  
Cream Cheese  
Sultanas

#### Method:

Cut the celery in little boats, with a hollow space to fill

Fill them with cream cheese

Dot them with sultanas (as the ants)

Enjoy!
