

Family iPad and Internet Safety Agreement

Child's Agreement

I understand that using the iPad is a fun and educational way to use my time and that the internet is a public place. To stay safe online I need to use the computer and the internet responsibly. I will:

S(Safe)

- keep my personal information (name, address and phone number) to myself and not share it with others
- not send photos or videos of myself over the internet without checking with my parents first
- keep my passwords secret from everyone, except my parents

M(Meeting)

- never meet an online friend in real life unless I tell my parents first and they come with me

A(Accepting)

- only open emails and attachments from people I know
- not fill in forms online that ask for money or personal details

R(Reliable)

- only download things with my parents' permission
- think twice about the things I see on the internet and try to decide if they are true

T(Tell)

- tell my parents straight away if some asks me to do something I don't like
- tell my parents straight away if I see or receive something on the internet that I don't like

Family iPad and Internet Safety Agreement

Parent's Agreement

I understand that my child will use the iPad for entertainment and education and that the internet is a public place that is very useful for my child. I wish to help my child stay safe when using the computer and the internet. I will:

Empower

- take an interest in what my child is doing on the computer and encourage them to use it wisely
- listen to any problems my child has on the computer and understand that things can happen by mistake

Educate

- learn ways my family can stay safe online
- teach people in my family how to use the iPad responsibly and stay safe online

Supervise

- Supervise my child when they are using the iPad and when they are online
- Find out where my child uses their iPad and make sure they are protected when using the internet away From home

Technology

- Install safety software on the home computer to keep my family safe
- Only allow iPads to be used in a family area of the house, not in bedrooms
