What one parent said about Bill's workshop:

Bill spoke in a way that was captivating and his use of examples and 'recipe rescues' made his ideas and solutions easy to follow. He is very engaging and made everyone feel welcomed with his easy going manner. This is one comment we received from a parent who attended the Workshop: "Tracy & I found it very informative and interesting and I wanted to hear more!! I would definitely be interested in another workshop. Big thanks to Bill I would certainly motivate other friends / school mums to attend.
