

We would like to acknowledge the traditional custodians of this land. We pay our respects to the elders both past, present and emerging.

NEW 2IC!!!

We are super excited to introduce our new 2IC, Blake Lacey who has joined us this week. Blake has been one of our regular educators throughout the year so he may be a familiar face! We hope Blake will be a fun and engaging addition to the team and be a role model for the kids to look up to. Welcome Blake!

WEEK THREE

This week we dove into underwater week! With lots of hands on activities such as creating our own rainbow fish and learning about sharks. We also took advantage of the warm afternoons to play some downball and football. A highlight of this week was our two new LEGO tables which the students have been loving.

WEEK 4

With our crazy Melbourne weather this week we decided to explore the seasons. Our students enjoyed lots of arts and crafts activities such as leaf pressing, colouring in and creating season charts. We had some friendly games of soccer and enjoyed spending the chilly afternoons hosting trivia.

If you have any feedback or suggestions please do not hesitate to reach out as we are always open to new ideas! This week, our menu was created collaboratively with our children and we came up with a very delicious selection! This week we served pasta, rice cakes, vegetable fried rice, vegetarian spring rolls, rice crackers with dip, avocado, cheese slices, butter, vegemite and jam or tzatziki dip and corn chips with salsa! The students also enjoy a great selection of healthy fruits and vegetables! Our weekly menu follows Nutrition Australia's guidelines and is created with the children and parents. All cultural needs are considered. Any dietary requirements are to be discussed with the program coordinator.

Just a friendly reminder to all TheirCare families that if students will not be attending a session they are booked in for, to please send us a message or give us a call to let us know.
