

EYNESBURY DISCOVER CENTRE

THAT'S NOT RUBBISH!

In this hands-on workshop your experienced presenter, Miree from Green Earth Kids, unpacks what rubbish is and where 'away' really is when we throw something out. You will look at how to recycle properly and why it is important for planetary health.

Your activity is centred on reducing waste to landfill and re-purposing items to give them a new life. This workshop is for children aged from 8 to 12 years old.

Places are limited so book early to avoid disappointment. All materials supplied.

WHERE: Eynesbury Discovery Centre
479 Eynesbury Rd, Eynesbury, 3338
