

NARRE WARREN NORTH FIRE BRIGADE FUNDRAISER

It's that time of year when preparations for the coolest lunch box in town are underway. Narre Warren North Fire Brigade along with many other CFA brigades have continued our partnership with Smash Enterprises to manufacture mini-CFA pumper truck lunch boxes. Funds raised go directly to the Narre Warren North Brigade to help purchase vital equipment.

These nifty little containers are not just for the little ones; big kids enjoy the fire trucks just as much.

We also have Captain Koala Bears available too.

Bears and trucks \$20.00ea

You can order these little pumpers or bears by contacting Tamara Bush via email (narrewarrennorth.sec@members.cfa.vic.gov.au) with the numbers required.

*Limited stock

**Card or cash payment on collection only
