# Webinars: Changes to NDIS support budgets

The NDIA is hosting a series of webinars to provide information about changes to NDIS support budgets. The sessions will focus on budget reductions (also called Support Determinations).

Starting 1 October, some NDIS support budgets will change over the coming 12 months. This change is part of the new NDIS laws. It will reduce budgets for two support categories:

- Social, Economic and Community Participation
- Improved Daily Living Skills

In his presentation we will cover:

- Which support budgets will be impacted
- What supports are not subject to the budget reductions
- How the new plan variation process works
- Where to access information, guidance and support

These webinars are designed for participants, families, carers and kin who want to better understand how the changes may affect their NDIS plan. They are not intended for providers
