Kiss & Go Zones

Understanding the rules

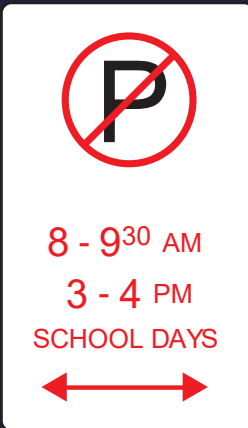

Kiss & Go Zones are for your child's safety, your convenience and to minimise congestion and confusion.

A Kiss & Go Zone is a short term stopping area which will enable your child to walk between your car and the school, using the safety of the footpath.

Kiss & Go Zone Rules

- Kiss & Go Zones and No Parking zones operate under the same conditions.
- You may stop to drop off or pick up children for a maximum of two minutes.
- Drivers must remain in or within three metres of the vehicle.
- The zone applies only during the hours of operation stated on the No Parking sign.

Do not leave your vehicle

To assist with traffic flow, drivers should remain in the car whilst children get in and out. Children should travel with bags in the car (not in the boot).

Be timely

If your child does not get in or out of the vehicle within two minutes you must leave and re-enter the Kiss & Go Zone.

Child safety

Please ensure children get in or out of the vehicle on the kerb side. The back seat is the safest seat for children to travel in, regardless of the make of the vehicle. Ensure children have their restraints securely fastened before driving off.

Stay in sequence

Drop off or pick up your child close to the top of the zone, as far forward as possible. This allows vehicles following you to enter the zone in an orderly manner.

Driver duty of care

Observe traffic when entering or leaving the zone. Use your indicator to advise when moving into or out of the zone.

No U-turns

Do not do U-turns in busy school zones. They are dangerous and put children at risk.

Kiss & Go Zones need your cooperation to ensure the safety of all children. Please drive carefully around school zones.
