

Would you like to learn how to lead change on the issues that matter to you? Sign up for the Mildura Social Innovators program.

Through Social Innovators you will...

1

Explore issues you care about

2

Generate inspired and exciting ideas

3

Pitch your ideas to community partners

4

Collaborate to bring ideas to life

Day 1 – Wednesday January 20th.

- Get inspired and explore issues you care about.
- Generate inspired ideas and think about how this idea could work in community.
- Prototype your big, bold idea.
- Test and twist your idea with community partners and receive great feedback to iterate idea.

Day 2 – Thursday January 21st.

- Develop a plan that sets you up to win support for your idea.
- Live pitch event where you will pitch your idea to community partners.

Social Innovators is a 2-day holiday program that supports you (young people) to lead change in your community. You will be working in small teams with like minded young people who are passionate about similar issues to you.

The program is a **Mildura Rural City Council** initiative which encourages participation from young people (aged 14-24) in the area.

The Crazy Ideas College (CIC) team will work closely with all participants and provide you with the support, training and tools you need to launch a crazy good idea.

Mildura Rural City Council staff are coming on board to listen to your ideas and make sure you have access to the right resources and connections to bring your ideas to life.

CIC believes in young people as designers, inventors, and social innovators. We know that properly supported young people will play a pivotal role in remaking our world.

Please contact Barbara if you would like to learn more or sign up via Eventbrite.
