FIGHTING FOR FAIRNESS

DOMESTIC BUILDING INDUSTRY

Entrant Course

MORE INFORMATION

If you are aged 16-25, this is the course for you! The GTLC Domestic Building Industry Entrant course will cover basic accredited training and non-accredited training to get participants work ready to apply for onsite Domestic building industry opportunities.

This is a realistic industry experience provided through the Unions, the aim is for each participant to experience and understand the construction sector's expectations of applicants for apprenticeship & fulltime construction work opportunities.

The participants will be Case managed through the course, they will receive follow-up support by the GTLC Project Officers while they search for employment opportunities.

The skills will target Domestic construction – Home building specific trades; plumbing, electrical, carpentry, bricklaying, plastering, painting and general labouring positions.

2 Week Course
Commencing
8TH AUG 2023

STANDARD INDUSTRY HOURS WILL APPLY

Tailored to the individual the course will cover:

- White Card
- Safe work at heights
- Confined Spaces
- Provide First Aid
- Effective communication
- Employability skills
- Industry Language
- Basic hand-tools (Non-accredited & Mentor run)
