How do I pay via the Edrolo Payment Portal for my child's access?

Payment must be made for Edrolo via the online Edrolo Payment Portal. As your child will be using Edrolo as a key resource in the subscribed subjects, please ensure payment is made as early as possible to ensure minimal disruption to their all-important studies. Payments can be made online through your child's Edrolo account from 23 November onwards.

If payment has not been received by the payment due date (18th December 2020), your child will be blocked from accessing all of their Edrolo courses until the balance has been paid in full (no later than March 15, 2021). **Please ensure payment is made by the payment due date, as your child will have homework and classwork to complete on Edrolo through Term 4 and the summer break.** As soon as account payment has been made, access to all courses will be restored.

Please see below for instructions on how your child can activate their Edrolo account to access the Payment Portal to complete payment.
