- Apply for a course at Monash College or Deakin College (see VTAC Guide)
- Complete a Diploma in Tertiary or Foundation Studies – e.g. at Monash University, RMIT and Victoria University
- Nursing - complete a Diploma of Nursing at TAFE
- Aim for a Supplementary Offer in January (see VTAC website)

## **Cadetships in Logistics**

*The VTA Logistics Cadetship is a two-year program which has young people aged 18-25 employed fulltime with transport and logistics companies while they study for a Certificate IV in Logistics and a Diploma of Logistics.*

Cadets are allocated a mentor within their workplace to guide them through the program and assist with assignments. They are moved into different areas of the company to give them an understanding of the business, not to mention, the advantage of increasing their skills. In conjunction with Victoria University (Melbourne metropolitan area) and Gordon TAFE (regional areas), the VTA Logistics Cadetship enables future leaders in Transport and Logistics industry to be developed. This exciting program provides more opportunities for young men and women to enter the Transport and Logistics industry.

At the completion of the two-year Cadetship Program, cadets graduate with a Certificate IV in Logistics and a Diploma of Logistics that is recognised both nationally and internationally. Past cadets have continued onto studying for a Degree in Logistics, providing even greater opportunities for their future.
