

Thanks for the smooth transition over to the remote learning platform.

Apart from not seeing her friends, there has been minimal stress for Anetka during the process.

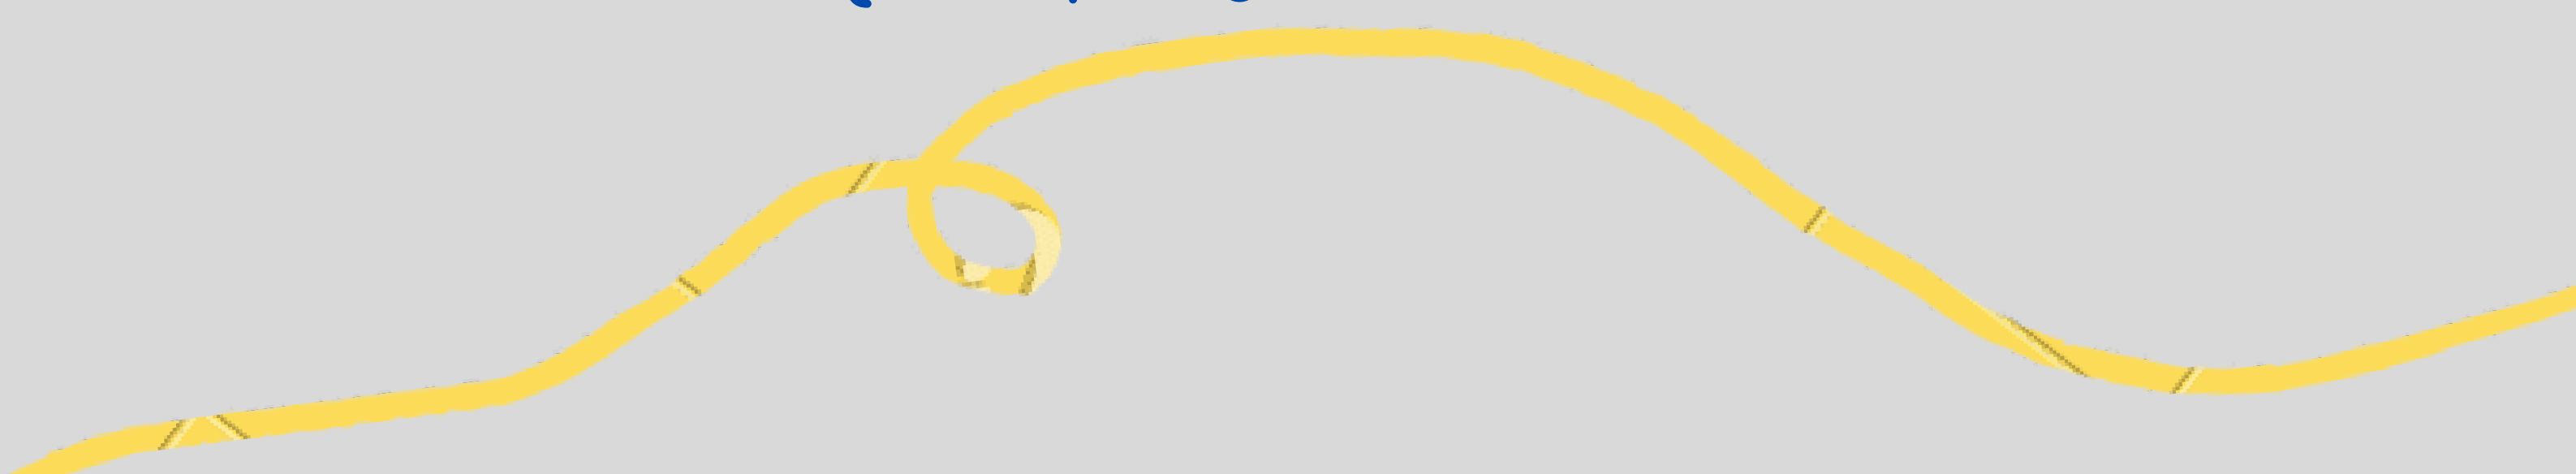

Of all concerns at the moment, school is the least of our worries as your team has taken over and shown all is under control - we really appreciate it & when comparing notes with friends, we see we are one of the few that seem to be so organised.

The Edmonds Family would like to express their sincere thanks and appreciation to all the hard working, caring and amazingly special staff of St. Norbert College. We are extremely grateful to each and every staff member. A big, heartfelt thank you and may God bless and guide you all.

You are shining stars for our families through this dark cloud. Congratulations and well done! A happy and holy Easter.

Thank you so much for
your support and Well
Being of our school
community during this
time. We
wish all the Priests,
Priory Staff, Staff at St
Norbert College and St.
Joseph's a Blessed and
Safe Easter

You
are all incredibly
amazing. We greatly
appreciate all your
support, hardwork
and dedication. This
week, although unique,
has been easy with your
guidance.

Thank you so
much and well
done to all staff
on such a well-organised
job in this
terrible situation.
Thank you for caring
for our kids.
