

STUDENTS ACCESS TO AUDIO AND EBOOKS

Wheeler's ePlatform gives your library access to a huge range of eBooks through an easy-to-use, customisable, and secure lending system.

- You can browse, borrow, and read eBooks or listen to audio books from anywhere at home or on the go.
- Tailored specifically for Australia and New Zealand with access to a wide range of local and international content.
- Titles are available on almost all reading devices.
- There are 100's of titles available through the Wheeler's website with new publishers being signed up every week.
- Students that are struggling readers or have Dyslexia are able to change the format, (colour, font & size) to enable reading more accessible.
- 14 day loan, books automatically return themselves, reservations options, plus so much more
