

HAPPY NEW YEAR

Welcome back to school for 2026

I hope you enjoyed a safe and happy summer break – resting, relaxing and enjoying time with family. I would especially like to welcome our new families and students. I hope you find our school as welcoming & inspiring as I have over the past 18 years.

New Classes & New Year

Students have been placed into temporary classes, based on careful consideration of their learning and social needs. These classes may need to be adjusted once enrolments have been finalised – but our top priority is getting the “best fit” for your child. A smooth start to the school year is vital and I thank you for your support in making this time positive for your child.

2026 Our Journey, Our Future

Our 2026 theme is about journeys. Learning is a journey, and life is a journey. We are embracing a sense of adventure, taking risks, trying new things, and going on this journey together. Our classes are named to connect with journeys.

Our 2026 Temporary Classes are:

K Destiny

Ms Dimos (Room 1)
