### **50 YEARS YOUNG!**

2019 is a very exciting year for St Albert's College as we are celebrating 50 years of student life, community growth and academic achievement.

In commemoration of this milestone, St Albert's College is hosting a 50th celebration weekend across three days, from 29-31 March 2019. St Albert's looks forward to welcoming alumni and their families, as well as friends of the College in celebration of St Albert's first 50 years.

We have planned a fun-filled weekend, commencing with Albies Rugby 50th Anniversary Dinner on Friday evening, followed by a sports day, the *50 Years Young Exhibition*, College Open Day, and Gala Dinner on the Saturday. The College will host breakfast and Mass on Sunday morning.
